3. INFORMATION IN SUPPORT OF YOUR APPLICATION

Please provide additional (background/ factual) information in order to clarify/explain your interest further, and assist the committee considering this dispensation application.

(Please note that failure to complete this section will result in the application form being returned to you)

I have previously been granted dispensation regarding the general workings of the harbour on two occasions. It is important that I can represent my residents and business owners and reflect their views on matters relating to the harbour, including those residents and visitors who have boats and yachts moored in the harbour. It is important that I can make representations on their behalf. This will be particularly important in the coming months as the harbour defence works progress. It is important that I can liaise with council officers relating to everyday issues relating to the harbour, such as safety and access issues.

Whilst my mother’s home directly overlooks Pwll Cam harbour, it is expected of me as a Town and County Councillor, to represent the views of residents in all matters relating to the harbour, given that it plays such an integral part of the town of Aberaeron.

4. GROUNDS FOR DISPENSATION

The **Standards Committee (Grant of Dispensations)(Wales) Regulations 2001** prescribe the circumstances in which the Ethics & Standards Committee may grant a dispensation. The grounds for granting a dispensation are set out below.

On which of the following grounds do you believe that a dispensation should be granted in this case? Please tick the appropriate box(es).

(a) no fewer than half of the members of the relevant authority or of a committee of the authority (as the case may be) by which the business is to be considered has an interest which relates to that business;	<input checked="" type="checkbox"/>
(b) no fewer than half of the members of a leader and cabinet executive of the relevant authority by which the business is to be considered has an interest which relates to that business and either paragraph (d) or (e) also applies	<input checked="" type="checkbox"/>
(c) in the case of a county or county borough council, the inability of the member to participate would upset the political balance of the relevant authority or of the committee of the authority by which the business is to be considered to such an extent that the outcome would be likely to be affected;	<input type="checkbox"/>
(d) the nature of the member's interest is such that the member's participation in the business to which the interest relates would not damage public confidence in the conduct of the relevant authority's business;	<input checked="" type="checkbox"/>
(e) the interest is common to the member and a significant proportion of the general public;	<input checked="" type="checkbox"/>
(f) the participation of the member in the business to which the interest relates is justified by the member's particular role or expertise;	<input checked="" type="checkbox"/>

(g) the business to which the interest relates is to be considered by an overview and scrutiny committee of the relevant authority and the member's interest is not a pecuniary interest;	<input type="checkbox"/>
(h) the business which is to be considered relates to the finances or property of a voluntary organisation of whose management committee or board the member is a member otherwise than as a representative of the relevant authority and the member has no other interest in that business provided that any dispensation shall not extend to participation in any vote with respect to that business; or	<input type="checkbox"/>
(i) it appears to the committee to be in the interests of the inhabitants of the area of the relevant authority that the disability should be removed provided that written notification of the grant of the dispensation is given to the National Assembly for Wales within seven days in such manner as it may specify	<input type="checkbox"/>
(j) it appears to the committee to be otherwise appropriate to grant a dispensation.	<input type="checkbox"/>

5. GROUNDS FOR DISPENSATION- FURTHER INFORMATION

Please set out below the reasons why you consider that the Ethics & Standards Committee should grant a dispensation in this case (i.e. Please explain how and why you consider that one of the grounds for dispensation is/are satisfied)

(Please note that failure to complete this section will result in the application form being returned to you)

There is an expectation within the council ward which I represent, that I should be able to readily represent the interests of residents, boat owners and the greater interest of the town in general, including all matters relating to the harbour, which is such an integral part of Aberaeron. My knowledge of the harbour is comprehensive, and I believe that residents and business owners understand that I undertake my work with integrity, and that I can separate my mother's interest in being a property owner, and the greater good of the town. There has never been, or will there be, any question of blurring those very definitive lines.
