Name	City	State	Postal Cod	Country	Date	Comment
	Aberystwyth	England	SY23	UK	07/04/24	"I'm signing because I live in town and these changes will impact us directly!"
	Aberystwyth	England	SY23	UK	07/04/24	"Because I fear for local businesses on the promenade and the Town in general we are a seaside Town with no parking of the future"
	Aberystwyth	England	SY23	UK	07/04/24	"I'm signing because I recognise that this petition is referring to: The Ceredigion County Council (Prohibition and Restriction of Waiting and Loading and Unloading) Order 2019 (Aberystwyth Seafront) (Amendment Order No.11) 2024 is being proposed to avoid danger to persons or other traffic and preventing the likelihood of such danger arising, to facilitate passage on the roads involved (including for pedestrians), and to improve the amenities of the area."
	Goginan	England	Sy23 3pd	UK	07/04/24	"This will make an already bad parking situation worse and will impact businesses in town"
	Chelmsford	England	cm2 8aa	UK	07/04/24	"The promenade is an important social meeting place for visitors and locals alike, parking in Aberystwyth is difficult, removing promenade parking will limit people's access to the promenade and impact local businesses."
	Bristol	England	BS5 6JF	UK	07/04/24	"I live in Aberystwyth and feel this will be detrimental to local businesses and residents- a lot of elderly people like to park on the sea front and spend a few hours there which is very valuable to their health and wellbeing- also easier for parents and grandparents when visiting the beach. Parking fees will only add to peoples already increasing budgets which many will not be able to afford. This seems to be an easy cash cow for the council with no regard for the people of Aberystwyth let alone tourists who bring in money."
	Aberystwyth	England	SY23	UK	07/04/24	"It's a very silly idea. Already problems parking in town. Will cause more problems. Also drive locals and tourists from town."
	Redditch	England	B975au	UK	07/04/24	"As a very frequent visitor to Aber, its hard enough to find parking. To reduce it further will be devastating for local economy. Visitors come from all over the world to explore Aber, I for one love visiting all the independent shops. Why would the local council make a decision that would impact tourism & residents so negatively."
	Frodsham		WA6	UK	07/04/24	"The proposal,if carried forward, will encourage out of town shopping leading to further avoidance of shopping in town,will be detrimental to local folk seeking to park nearby their homes, tourists ,shop workers,and local businesses,and further damage the credibility of our elected officials, in their desperate bid to squeeze cash from tourist and local citizen alike. It is exactly the opposite of the kind of incentive to encourage the prosperity of Aberystwyth,and jepodise the support enjoyed by County Councillors who currently control our council."
	Stoke-on-trent	England	ST4 8YD	UK	07/04/24	"I care about the people in Aberystwyth."
	Aberystwyth	England	SY23 2JN	UK	07/04/24	"Aberystwyth need the tourist without them the town will be dead."

Newtown	England	SY16	UK	07/04/24	"It will effect lots of local businesses trade ,which these days is the difference between being able to trade and closure"
Aberystwyth	England	Sy23 1 RT	UK	07/04/24	"CCC can only think that this is a good thing to do £££££ why don't they leave it as it is and police the problem areas"
Penrhyn-coch Cardiff	England Wales; Cyr	SY23 3EP Cf5 1ez	UK UK	07/04/24 07/04/24	"I am not happy with The Council's plans for Aberystwyth" "I disagree with the proposed changes which will be detrimental to the town's businesses."
Newtown	England	SY16 1RG	UK	07/04/24	"I don't agree this proposal will benefit Aberystwyth as a tourist destination. <a href="https://www.ceredigion.gov.uk/resident/travel-roads-parking/consultations/orders/?fbclid=IwAR2qczKN145c3DKSIkuhT589WKG3lvTM77n6Xv3jGsJWmH2EPOzpNVdP05I_aem_AUXZdbqz2wF4PKJqZ6QuChmIDL_iYwRQH3TS1mOiiAipZxrz0_UBbiNBvvLXDiSfA" rel="nofollow">https://www.ceredigion.gov.uk/resident/travel-roads-parking/consultations/orders/?fbclid=IwAR2qczKN145c3DKSIkuhT589WKG3lvTM77n6Xv3jGsJWmH2EPOzpNVdP05I_aem_AUXZdbqz2wF4PKJqZ6QuChmIDL_iYwRQH3TS1mOiiAipZxrz0_UBbiNBvvLXDiSfA</a>"
Llandinam	England	sy17 5bh	UK	07/04/24	"I object to the proposal."
Aberystwyth	England	SY233GG	UK	08/04/24	"I'm concerned it will damage the allure of this beautiful place.."
Aberystwyth	England	Sy23 2ay	UK	08/04/24	"I live on King Street with no parking space. These changes would leave us with nowhere to park near our home. I also think it would reduce visitors to the town as it is already difficult to find parking in town during holidays, visitors are vital for local businesses."
Capel Bangor A	England	SY23 3LZ	UK	08/04/24	"You are working against residents and tourists. This area needs tourists and you're taking enough from residents with the massive increase in council tax..a council that is totally failing it's area and residents"
Clifton	England	m27 8QQ	UK	09/04/24	"I have been visiting Aberystwyth on holiday several times a year for about 15 years and I love it there. My mobility has unfortunately decreased significantly in recent years and I now find it impossible to walk into town. I am getting to spend less and less time and money in Aberystwyth as its already so difficult to park there. The loss of parking spaces will make this problem worse especially for people like me who can't visit town without driving. I also feel extremely sorry for local residents who often already have to park streets away from where they live. Unfortunately I've seen a huge decline in the town centre in recent years and hope the council come to their senses before they kill it off totally. I have never seen Aberystwyth as quiet as it was over the Easter period its a shame for local businesses that need support not customers being kept away."
Abermule	England	sy15 6js	UK	09/04/24	"Being a regular visitor to aberystwyth I can only see this being a negative step in attracting visitors. Another town will a victim of council war on motorists."
Strabane	Northern I	BT82	UK	10/04/24	"We visit Aberystwyth regularly and I consider this a backward step for tourism."

	Oxford			UK	10/04/24	"Would be useful to add some context to the petition, there are absolutely no details. <a href="https://www.cambrian-news.co.uk/news/council-moves-ahead-with-new-parking-restrictions-on-aberystwyth-seafront-676867">https://www.cambrian-news.co.uk/news/council-moves-ahead-with-new-parking-restrictions-on-aberystwyth-seafront-676867</a> "
	Oxford			UK	10/04/24	"Would be useful to add some details to the petition, as it is, gives no information on what people are signing for. <a href="https://www.cambrian-news.co.uk/news/council-moves-ahead-with-new-parking-restrictions-on-aberystwyth-seafront-676867">https://www.cambrian-news.co.uk/news/council-moves-ahead-with-new-parking-restrictions-on-aberystwyth-seafront-676867</a> "
	Aberystwyth	England	SY23	UK	10/04/24	"The beach brings us solace. The beach brings tourism, it brings wellbeing."
	Aberystwyth	England	SY23 5HD	UK	10/04/24	"I am concerned that by reducing already limited parking resources, it will deter visitors and locals from visiting the town which will be further detrimental to the businesses that are trying to survive these difficult times. Please do not ruin Aberystwyth anymore than has already been done."
	Llanfarian Aber	England	Sy23 4bx	UK	11/04/24	"I think charging to park there will be totally detrimental to the area, will add to the declining footfall and sales in the town centre and discourage tourists and visitors from coming in the first place"
	Ystrad	Wales; Cyr	cf41 7re	UK	12/04/24	"Parking fees will stop some people come to visit this lovely place, so shops, cafes, and other business will lose out"
	Cardiff	Wales; Cyr	CF14	UK	13/04/24	[REDACTED]
	Llanon	England	SY23 5HN	UK	18/04/24	"I think it's a terrible idea. Hard to park in town as it is."
	Aberystwyth			UK	18/04/24	"I'm a support worker who regularly works early in the morning until late at night. When I arrive back in town, sometimes the only place for me to park and leave my car is the prom. Why do people like me have to be punished when finding parking is already a headache?"
	London, UK	England	N1 5BB	UK	23/04/24	"I'm all for positive change to the town, streets and prom however as a resident and business owner there's little in these proposals that benefit everyone, residents, workers, businesses, shoppers or overnight visitors. It seems that the changes to the residential streets such as Laura Place and King Street are simply there to benefit the Uni's commercial hotel project converting the Cambria and Old College. The changes should be fair to all. The university has said publicly they would lobby the council to make changes to parking. Here it is. It's not about safety at all. The active travel routes should be improved connecting Plas Crug avenue to the beach. That would be better spent on active travel grants. If they want to utilise South prom they could shift the lampposts into the parking to create a wider active travel route. It would be much cheaper as they are due to replace the lamps anyway. A passing place would assist flow. Balance and mitigation is required. A weak and unpopular proposal."
